Welcome to Rogaška Slatina!

Dear guests,

welcome to one of the oldest spas with almost 400 years of tradition.

There is a special legend in Rogaška Slatina... Pegasus, the mythological winged horse, discovered something unique.

When he hit the ground with his hoof, water gushed out.

This water is the richest natural mineral water in the world with magnesium.

The legend lives on even today, and our guests discover their path to health, beauty and experiences day by day.

We wish you a pleasant stay in Rogaška Slatina and look forward to your return visit.
